- **Chief:** Akshaya(VII) and Students of middle Department
- **Thittankulam guide:** Ms. Shenbaga Devi
- **Chief:** Abdul Azeez and Students of middle Department

WORLD HEALTH DAY

GARDENING

National Gardening Day is a special festival that is celebrated each year on **April 15**. On National Gardening Day, gardeners teach people all about the art of home gardening and this day is meant to promote gardening as a hobby and to plant as many new flowers and trees as possible.

To make the green environment in our school as well as in their home, our school designed a farm named **GREEN HOUSE**. Under the guidance of Ms. Veeralakshmi, Ms.Karthika and Ms.Kruthika we were grown various plants like herbs, shrubs, climbers and creepers. Every Friday or Saturday grade I toV students visited the farm and Tuesday or Wednesday grade VI,VII students and Thursday grade VIII students Checked the plant growth and helped the gardener like watering the plant.

We celebrated NATIONAL GARDENING DAY by supplying seeds to the farm and shared the yield to NOON MEALS for the school. While celebrating FOOD DAY we used the vegetables grown in our farm.

The students were brought to the farm while teaching about plants and crop production and management. The value of plants, farming and food were taught through celebrating NATIONAL GARDENING DAY in our school and also We are keeping our environment clean and green.

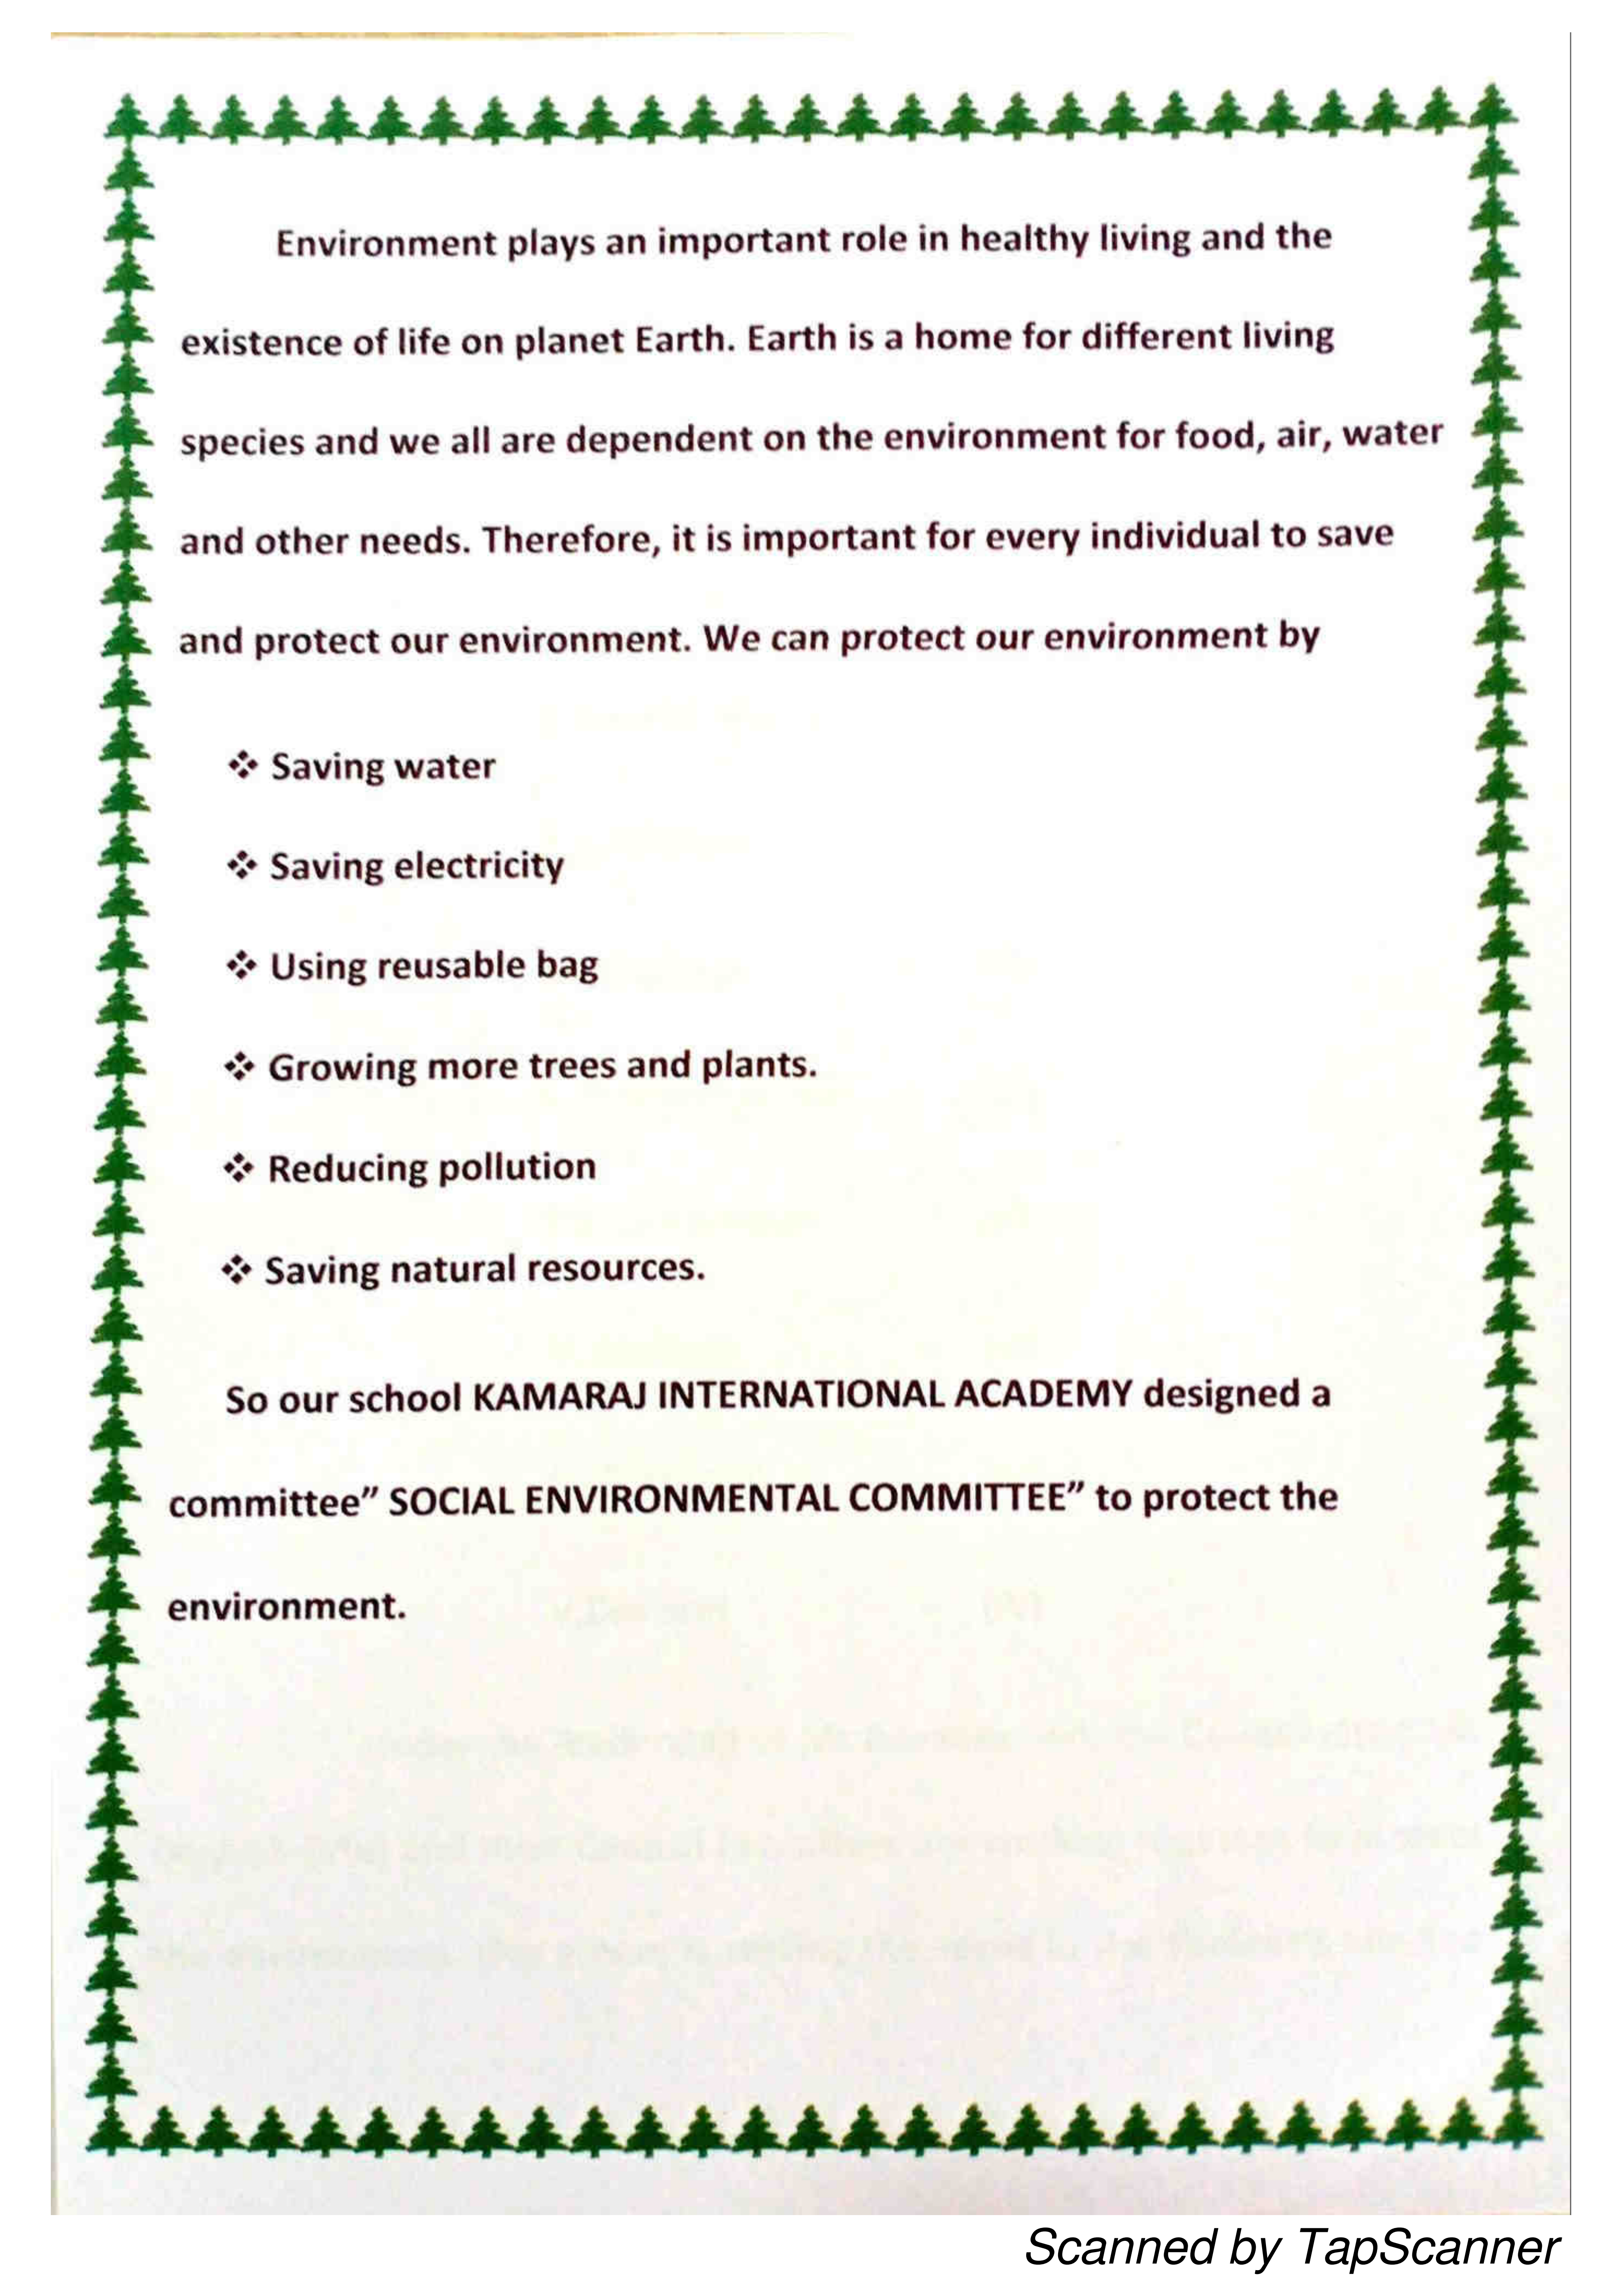

AGENDA

NATIONAL GARDENING DAY (15.04.2019)

- ❖ **Prayer:** School choir
- ❖ **Chief guest:** Mr. Kannappan – Secretary of Kamaraj International Academy
- ❖ **Speech:** Ms. Veera Lakshmi
- ❖ **Topic:** Uyirum Unavum (In Tamil)
- ❖ **Preparation of soil:** Teacher Incharge: Karthika.K
- ❖ **Distribution of seeds:**
- ❖ **Planting Sapling**
- ❖ **Vote of Thanks : Monika swetha.S (VII)**

GREEN HOUSE

Environment plays an important role in healthy living and the existence of life on planet Earth. Earth is a home for different living species and we all are dependent on the environment for food, air, water and other needs. Therefore, it is important for every individual to save and protect our environment. We can protect our environment by

- ❖ Saving water
- ❖ Saving electricity
- ❖ Using reusable bag
- ❖ Growing more trees and plants.
- ❖ Reducing pollution
- ❖ Saving natural resources.

So our school KAMARAJ INTERNATIONAL ACADEMY designed a committee" SOCIAL ENVIRONMENTAL COMMITTEE" to protect the environment.

ECO-FRIENDLY COUNCIL

COUNCIL CHIEF: R. Divyesh - (VIII)

DEPUTY CHIEF : R. Senthil Murugan - (VII)

Council Executives I.Selva Kugan - (VIII)

R. Senthil Murugan - (VII)

R.S. AKshaya - (VII)

M. Sindhuja - (VI)

K. Subhash sundar - (VI)

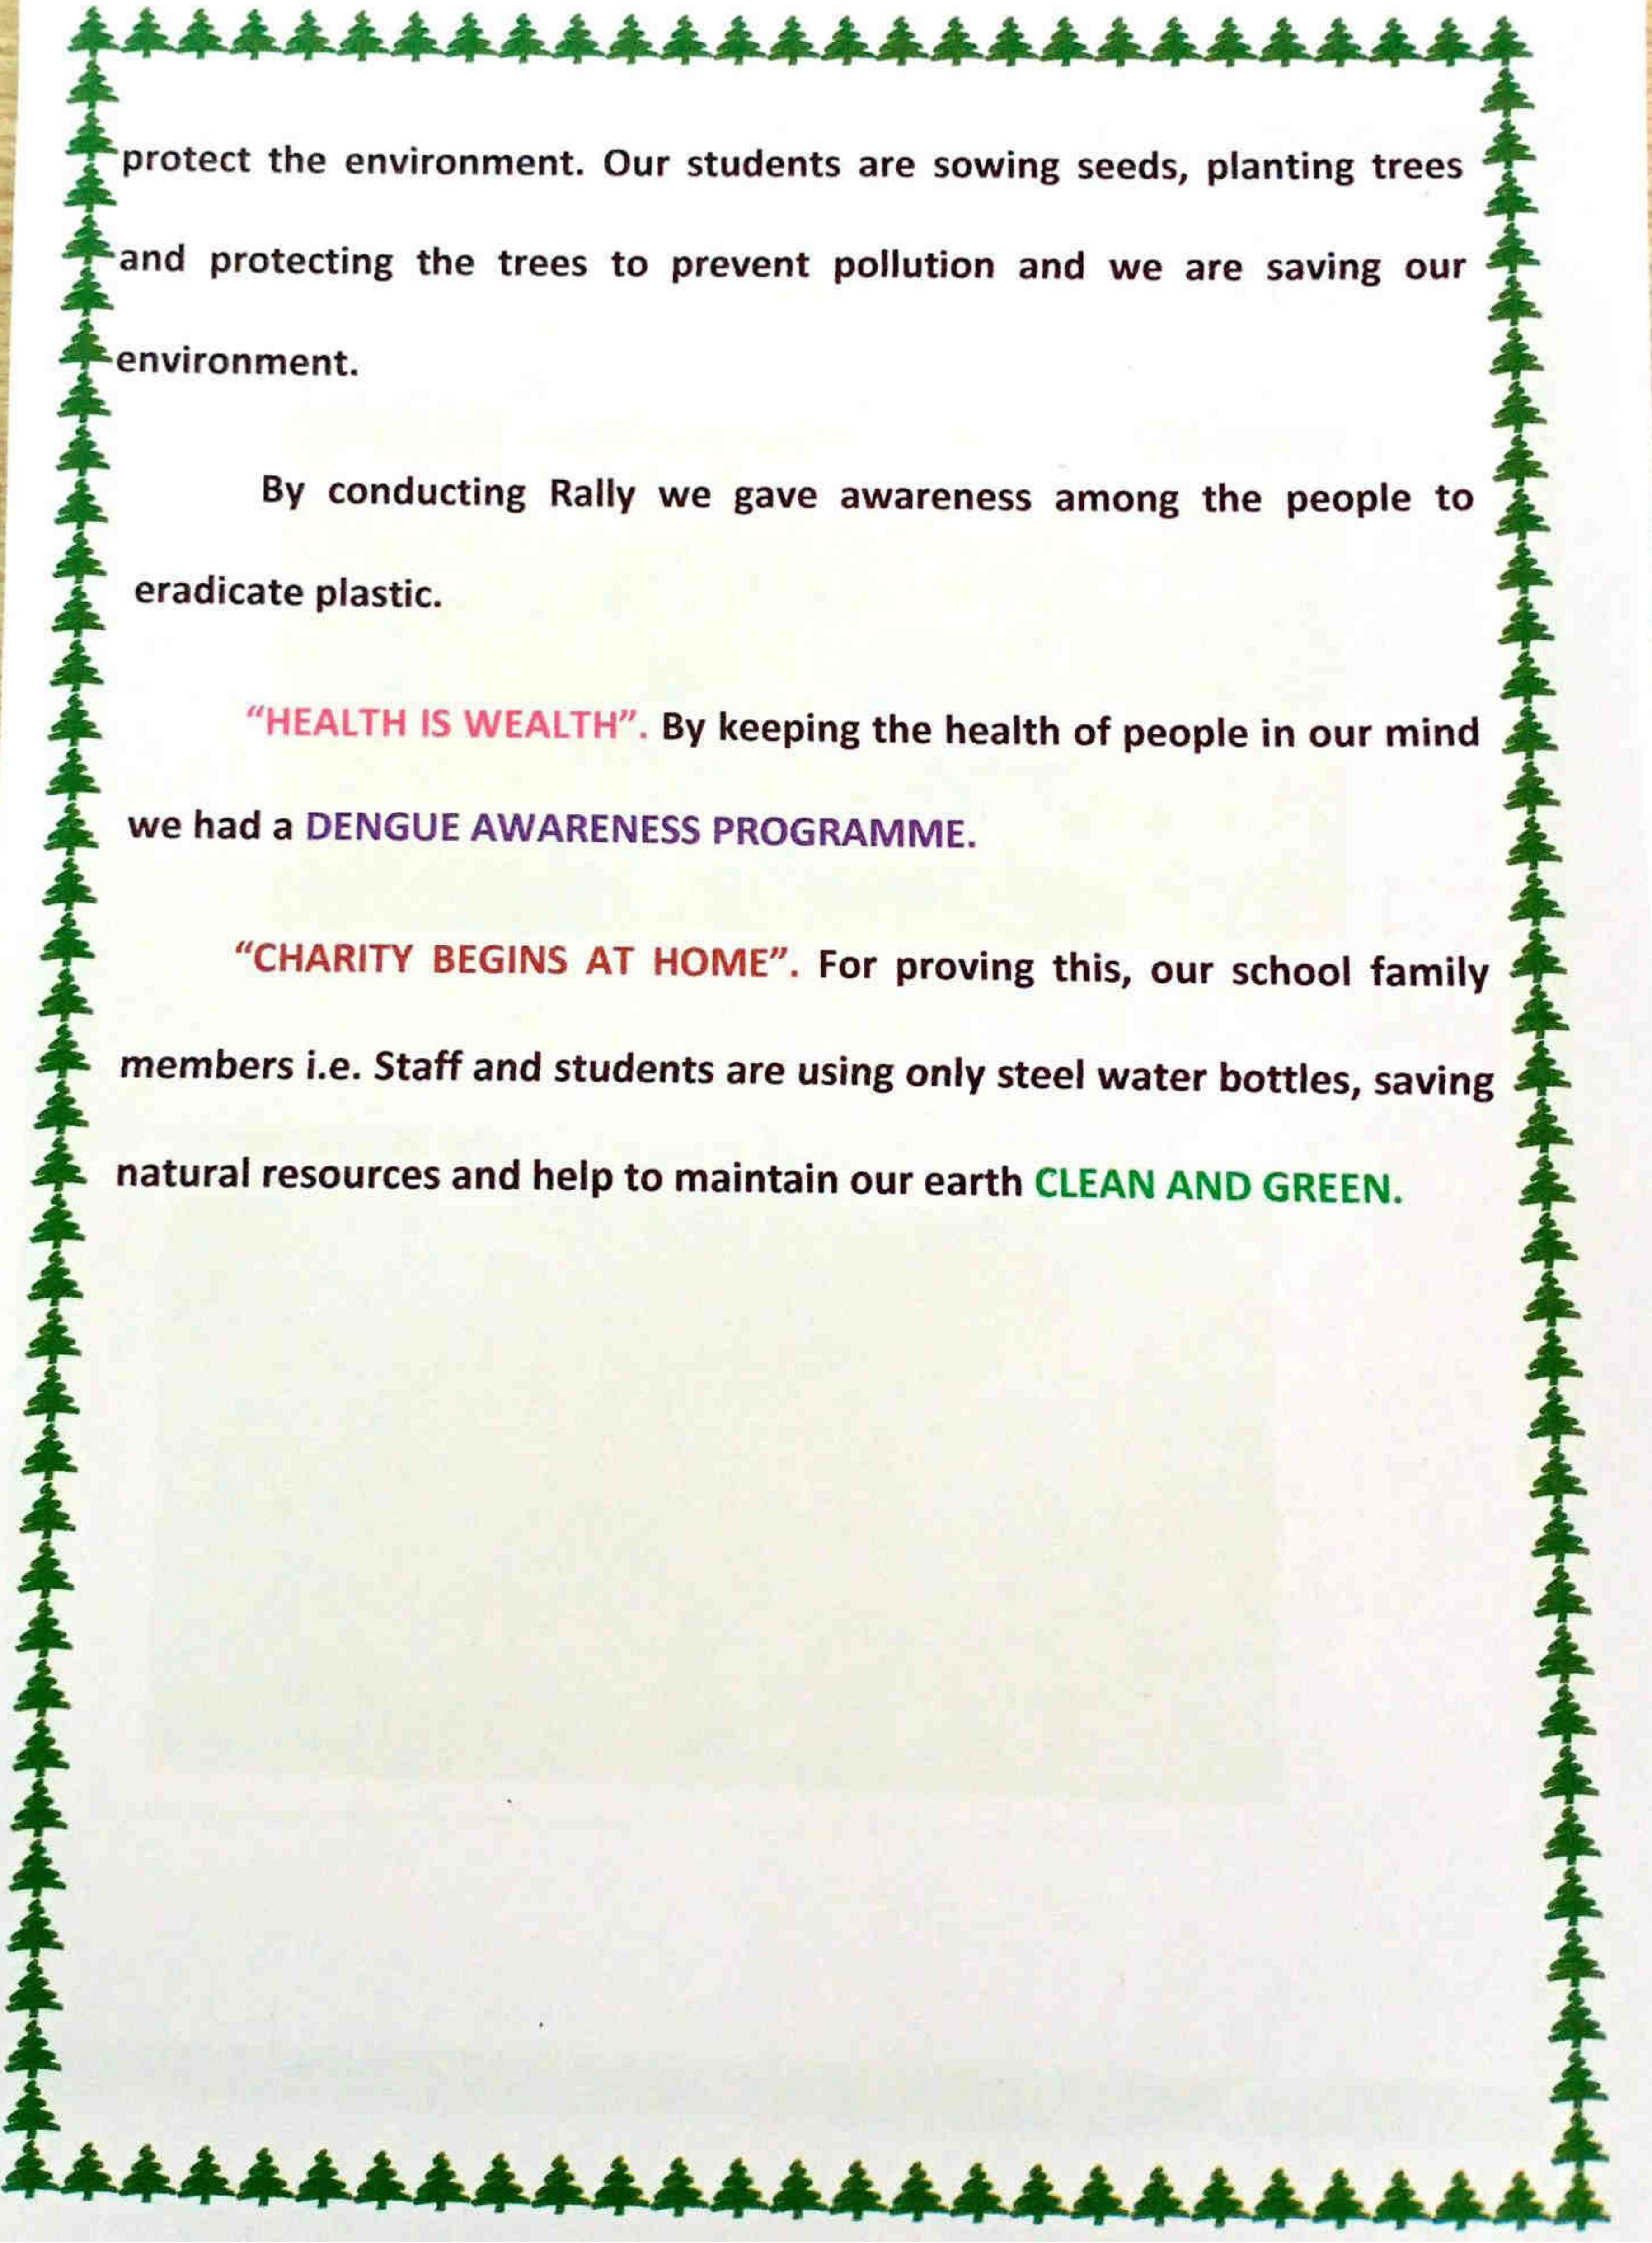

P.L. Levin valan - (V)

V. Akshara - (V)

S.Mrithunjai - (IV)

V.Devishri - (IV)

Under the leadership of Ms Puvaneswari, the Council chief R. Divyesh-(VIII) and their Council Executives are working together to protect the environment. Our school is sowing the seeds in the student's mind to

protect the environment. Our students are sowing seeds, planting trees and protecting the trees to prevent pollution and we are saving our environment.

By conducting Rally we gave awareness among the people to eradicate plastic.

"HEALTH IS WEALTH". By keeping the health of people in our mind we had a **DENGUE AWARENESS PROGRAMME**.

"CHARITY BEGINS AT HOME". For proving this, our school family members i.e. Staff and students are using only steel water bottles, saving natural resources and help to maintain our earth **CLEAN AND GREEN**.

WORLD ENVIRONMENTAL DAY

PLANTING TREES

Our school sow seeds among kid's mind to sow the seeds. They can make the environment green and clean.

Colours day

Colour plays an **important** role in our lives. **Colour** is a source of pleasure to everybody. **Colours** can change the moods, reduce or increase tensions, cause excitement and sometimes have a soothing effect for a tired person.

The **'Red Day'** celebration was a wonderful learning activity which helped children to understand the concept of **Primary Colours**. **Red colour** also signifies Love and Compassion. To mark this **day** very special, students and the teachers were dressed in red clothes. Classes were decorated with red balloons.

Green Day is an event that helps to make schools sustainable. It will inspire pupils and colleagues in your school to learn about climate change and how it relates to the buildings and spaces around them. **Green Day** is a fun way to learn serious lessons

Immediately, after environment **day** i.e., on 14th June 2019 in our School we celebrated **Green Colour Day**. As **green** is the **colour** of life, renewal nature and energy, which is closely associated with meanings of growth, harmony, freshness, fertility and environment.

We celebrated Fancy dress competition and did some Activities and made the children to enjoy by using the colours.
