SUMMER CAMP

02.05.2019 to 15.05.2019 Summer Camp was held at our school which was attended by students from class V to VII as well as students from outside schools.

This summer training camp was divided into six work divisions and was held from 9:30 am to 3:40 pm with training in Yoga ,Athlete, Major Game, Indoor game, Art & craft, Drawing.

The students of our school and other school students also participated in this. Every evening breaks in this summer training camp, nutritious drinks and snacks were provided to the students on behalf of the school. The students were instructed to bring their own food.

Prizes and certificates were given to the students who performed well in this summer training camp. The students participated with enthusiasm and skill.

Two physical education teachers and ten teachers from our school coached the students. The principal coordinated and guided the teachers and students at the school.

On the last day of the camp, the students who had undergone art craft and drawing training exhibited their artwork to the parents.

Parents visited it and praised the students, teachers and the school principal.

On the last day of the camp, both the principal of our school and the secretary of our school attended the event and presented the students with gifts and certificates.

The first course of the camp was the yoga art training which was conducted as the yoga practice is of great help in keeping the students physically and mentally clean.

Silambam, Karate was invented as a martial arts training class. Martial arts training was made mandatory especially for girls.

During the third lesson, students were trained to play games such as Major Games, Football, Volleyball, Handball, Rupee and Hockey.

During the fourth lesson, Minor Games conducted competitions for the students to get rid of boredom in their body and to cover up their anxieties and anger.

During the fifth lesson, indoor games such as keyboard, chess, cardboard, table tennis were conducted for the students to encourage their mental strength.

The sixth subject work was training in Art and Craft and Drawing in which the students developed their individuality.

For each of these training methods the students received all the exercises in rotation.
