# WORK EDUCATION

2019 – 2020

Through hard work and  
education, we can deliver a  
strong economy and  
opportunity for all

Julia Gillard

# **WORK EDUCATION**

The most important attribute of work education is its manual character which means that children will work with their hands while they will learn. By this they develop personal, social qualities, skills and values related to work. Work education forms an indispensable part of the school curriculum. It includes the knowledge various life skills, observation and moral through basic life activities.

**PRINCIPAL**

## **WORK EDUCATION**

Work education is the nature of knowledge that provides an identical significance to the community and social services by creating consciousness for the wellbeing of the people and society. An essential concept of work education is that it has a manual spirit. Work education plays an emphasis on learning while working in any field. It helps in developing a personality with morality in accordance. It also develops positive work values and habits. Work education conveys crucial knowledge related to career and develops proper work skills which can help the children to become productive in meeting their day to day activities.

# **Work Education Activities**

## **Nutrition Education:**

1. Poster Making
2. Fireless cooking
3. Height and weight check up
4. Nutrition news – bulletin board
5. Nutritious packed lunch parties

## **Health Education:**

1. Health check-ups by doctors
2. Provisions of vaccinations against childhood diseases
3. Inter school and Intra school Sports competitions including Yoga, Gymnastics.

## **Population Education:**

1. A school clock can be maintained depicting rising population.
2. Bulletin boards

## **Culture and Recreation:**

1. Inter school and Intra-school competitions
2. Educational trips and excursions
3. Sports day

## **Value Development:**

1. Visit to Destitute children homes

## **Media and Mass communication:**

1. Bulletin boards with newspaper cuttings
2. Educational film shows using projectors.

### **Information Technology:**

1. Slide shows
2. Power point presentation competitions
3. Computer Quiz

### **Consumer Education:**

1. Visits to departmental stores
2. Visits to market for buying vegetables
3. Literature can be distributed to students on consumer Redressal and Standardization marks.

### **Environment:**

1. A council of students can be created where students can be assigned jobs like monitoring cleanliness in school campus – ground, class rooms, canteen etc.
2. Facts and figures on community resources can be displayed on bulletin boards
3. Best out of waste competitions
4. Models (working and non-working) display.
5. Visits to concerned places for awareness generation.

**NUTRITION**

**EDUCATION**
