## **1. INTRODUCTION**

- Kamaraj International Academy (KIA) is an English Medium co-educational school conducted by the Kovilpatti Nadar Uravinmurai Sangam affiliated to Central Board of Secondary Education.
- OUR VISION: Leadership through child-centered learning environment.
- OUR MISSION: To provide an effective education with an unique environment by using innovative methods and updated technologies to develop future leaders.
- KIA emphasises the development of the student as a whole and there is a great deal of scope for creativity and individuality. The campus interiors are well designed for an apt atmosphere for every child with all the modern facilities. We create a difference by our approach to discover and nourish the unique talents of every single child.
- The classrooms are designed with safety in mind. Every classroom in the school shares natural lighting and ventilation provided with SMART Board, comfortable furniture and other resources as per to their age. The primary goals are
  - A. Helping children to feel confident and develop good relationships with others.
  - B. Supporting children in developing personal pride, self-control and positive attitudes.
  - C. Encouraging children to question and solve problems through observations and experimentation.
  - D. Nurturing children's creativity and imagination in a positive learning environment.
- We conduct periodically Parent-Teacher Meetings to build a strong partnership between parents and teachers. Parent-teacher conferences will help us to work together to ensure your child's success.
- Homework Schedule reaches home as worksheets to recollect and answer the concepts learned in the classroom atmosphere. This enlightens the parent about what is being learnt by their child for the whole day in the school.
- Test schedules are as per CBSE board. We have 2 Periodic tests and 2 Terminal tests. First periodic test will be in the month of July, First Terminal in September, Second Periodic test in December, Second Terminal test in March. Weekly tests will be conducted per month twice per subject.
